Cuba - memo to
self for conf - Sept - Oct. 17

To avoid bad reaction must be ready in many
questions:

Attack on NATO has equally justified

criticism on NATO for rash action endangering Europe - world.

Role in Cuba could be greatly clarified (is it going to
invade & occupy?)

Will Latin America and some (Brazil, Mexico, Chile, Argentina,
Ecuador, Uruguay) say they don't want such protection - US not
acting in their interest or with their approval and consent?

Would ultimatum & deal of war w. Cuba - acting ~~the~~
unilaterally be better?

Europe has not insisted removal of their T-52 tanks from
Hungary, Czech etc.

What if Cuban missile forces are removed as soon
as messages delivered about war, as with threatened aggression
and bombing, without negotiation?

What if there are no war heads in Cuba
